Whenever \$600.00 or more in principal of a debt is forgiven as a result of settling a debt for less than the balance owing, the creditor may be required to report the amount of the debt forgiven to the Internal Revenue Service on a 1099C form, a copy of which would be mailed to the estate representative by the creditor. If the estate representative is uncertain of the legal or tax consequences, we encourage the estate representative to consult a legal or tax advisor.
